I have Synology NAS and I wanted an app that could display thumbnails and full pictures on both the NAS using my own directory structure as well as on my IPAD. I tried at least six different apps and no [more](#)
- Uploading Files, GREAT!** (★★★★☆)
If your looking for an app to be e SMB files or offload files onto a something like that. It's great in Im able to offload pictures and v my phone at a slow speed but it
