RHSA-2025:1413 - Security Advisory

Issued: 2025-02-13 Updated: 2025-02-13

[Overview](#)[Updated Images](#)

Synopsis

Important: Updated service-interconnect rhel9 container images for 1.8

Type/Severity

Security Advisory: Important

Topic

Updated service-interconnect container images are now available for Service Interconnect 1.8 for RHEL 9.

Description

Users of service-interconnect 1.8 rhel9 container images are advised to upgrade to these updated images, which contain backported patches to correct security issues and fix bugs.

Users of these images are also encouraged to rebuild all container images that depend on these images.

You can find images updated by this advisory in the Red Hat Container Catalog

Solution

Before applying this update, make sure all previously released errata relevant to your system have been applied.

For details on how to apply this update, refer to:

<https://access.redhat.com/articles/11258>
