RHSA-2026:11511 - Security Advisory

Issued: 2026-04-29 Updated: 2026-05-04

[Overview](#)[Updated Images](#)

Synopsis

Assisted Installer RHEL 8 components for Multicluster Engine for Kubernetes 2.7.10

Type/Severity

Security Advisory: Important

Topic

Assisted installer RHEL 8 components for the multicluster engine for Kubernetes 2.7.10 General Availability release, with updates to container images.

Description

Assisted Installer RHEL 8 integrates components for the general multicluster engine for Kubernetes 2.7.10 release that simplify the process of deploying OpenShift Container Platform clusters.

The multicluster engine for Kubernetes provides the foundational components that are necessary for the centralized management of multiple Kubernetes-based clusters across data centers, public clouds, and private clouds.

You can use the engine to create new Red Hat OpenShift Container Platform clusters, or to import existing Kubernetes-based clusters for management.

After the clusters are managed, you can use the APIs that are provided by the engine to distribute configuration based on placement policy.

Solution

For more information about Assisted Installer, see the following documentation:

https://docs.redhat.com/en/documentation/red_hat_advanced_cluster_management_for_kubernetes/2.12/html/clusters/cluster_mce_overview#cim-intro

For multicluster engine for Kubernetes, see the following documentation for details on how to install the images:

https://docs.redhat.com/en/documentation/red_hat_advanced_cluster_management_for_kubernetes/2.12/html/clusters/cluster_mce_overview#mce-install-intro

This documentation will be available after the general availability release of Red Hat Advanced Cluster Management 2.12.

Fixes

(none)

The image shows a dark-themed navigation menu for Red Hat. At the top left is the Red Hat logo (a red hat icon) and the text "Red Hat". To the right are social media icons for LinkedIn, YouTube, Facebook, and X. Below these are four menu items, each with a downward-pointing chevron icon on the right: "Quick Links", "Help", "Site Info", and "Related Sites".

 Partial system outage

The image shows the footer of the Red Hat website. It features a small hat icon on the left. To the right of the icon is a list of links: "About Red Hat", "Jobs", "Events", "Locations", "Contact Red Hat", "Red Hat Blog", "Inclusion at Red Hat", "Cool Stuff Store", and "Red Hat Summit". Below this list is a horizontal line. Underneath the line are several links: "© 2026 Red Hat", "Privacy statement", "Terms of use", "All policies and guidelines", "Digital accessibility", and "Cookie preferences".
