

RHSA-2026:11512 - Security Advisory

Issued: 2026-04-29 Updated: 2026-04-30

[Overview](#)[Updated Images](#)

Synopsis

Assisted Installer RHEL 9 components for Multicluster Engine for Kubernetes 2.7.10

Type/Severity

Security Advisory: Important

Topic

Assisted installer RHEL 9 components for the multicluster engine for Kubernetes 2.7.10 General Availability release, with updates to container images.

Description

Assisted Installer RHEL 9 integrates components for the general multicluster engine for Kubernetes 2.7.10 release that simplify the process of deploying OpenShift Container Platform clusters.

The multicluster engine for Kubernetes provides the foundational components that are necessary for the centralized management of multiple Kubernetes-based clusters across data centers, public clouds, and private clouds.

You can use the engine to create new Red Hat OpenShift Container Platform clusters, or to import existing Kubernetes-based clusters for management.

After the clusters are managed, you can use the APIs that are provided by the engine to distribute configuration based on placement policy.

Solution

For more information about Assisted Installer, see the following documentation:

https://docs.redhat.com/en/documentation/red_hat_advanced_cluster_management_for_kubernetes/2.12/html/clusters/cluster_mce_overview#cim-intro

For multicluster engine for Kubernetes, see the following documentation for details on how to install the images:

https://docs.redhat.com/en/documentation/red_hat_advanced_cluster_management_for_kubernetes/2.12/html/clusters/cluster_mce_overview#mce-install-intro

This documentation will be available after the general availability release of Red Hat Advanced Cluster Management 2.12.

Fixes

(none)

CVEs

The image shows a dark-themed navigation menu for the Red Hat website. At the top left is the Red Hat logo, consisting of a red hat icon and the text "Red Hat". To the right of the logo are four social media icons: LinkedIn, YouTube, Facebook, and X. Below the logo and icons are four menu items, each with a downward-pointing chevron icon to its right: "Quick Links", "Help", "Site Info", and "Related Sites". At the bottom of the menu is a dark grey box with a green checkmark icon and the text "All systems operational".

The image shows the footer of the Red Hat website. It features a small grey hat icon at the top left. Below the icon is a list of links: "About Red Hat", "Jobs", "Events", "Locations", "Contact Red Hat", "Red Hat Blog", "Inclusion at Red Hat", "Cool Stuff Store", and "Red Hat Summit". A horizontal line separates this list from the copyright information below. The copyright text is "© 2026 Red Hat". Below the copyright text are several more links: "Privacy statement", "Terms of use", "All policies and guidelines", "Digital accessibility", and "Cookie Preferences and Opt-Out Rights".
