## Type/Severity

Security Advisory: Important

## Topic

The latest release of Red Hat Update Infrastructure. For more details, see the product documentation.

## Description

Red Hat Update Infrastructure (RHUI) container images are based on the latest RHUI RPM packages and the ubi9 or ubi9-init base images.

This release updates to the latest version.

## Solution

The container images provided by this release, apart from the installer, should be deployed using rhui-installer utility.

See the official documentation for more details.

## Fixes

(none)
