

# Download Adblock Plus for any device

Surf the web with no annoying ads in any browser and supported platforms.

## Get Adblock Browser

Block ads in a dedicated ad-blocking browser

Adblock Browser blocks intrusive and malicious advertisements, while supporting website creators by allowing **Acceptable Ads** by default (this, however, is configurable).

We use some cookies to give you the best experience on our website. By using our site you are aware that we are using cookies and you can change this any time. [Learn more](#)

Settings

Ok, got it

Adblock Plus for Samsung Internet (Android) brings you a cleaner, smoother online experience on your Samsung browser without intrusive ads.

## Block ads on any desktop browser
