After an evaluation, GNOME has moved from Bugzilla to GitLab. Learn more about GitLab.

No new issues can be reported in GNOME Bugzilla anymore.
To report an issue in a GNOME project, go to GNOME GitLab.

Do **not** go to GNOME Gitlab for: Bluefish, Doxygen, GnuCash, GStreamer, java-gnome, LDTP, NetworkManager, Tomboy.

You are not authorized to access bug #759579.
