There is a sister bug ([bug_2657](#)) for this one
http://bugzilla.maptools.org/show_bug.cgi?id=2657

----- Comment #4 From [Even Rouault](#) 2017-01-11 14:27:03 -----

Fixed per

2017-01-11 Even Rouault <even.rouault at spatialys.com>

* tools/tiffcp.c: error out cleanly in cpContig2SeparateByRow and cpSeparate2ContigByRow if BitsPerSample != 8 to avoid heap based overflow.

Fixes http://bugzilla.maptools.org/show_bug.cgi?id=2656 and http://bugzilla.maptools.org/show_bug.cgi?id=2657
