The screenshot displays the COMODO Defense Center interface. On the left is a navigation sidebar with options: Dashboard, Scans, Defense Center (selected), Performance, DNS Management, Backup, and Trust. The main content area is titled 'Defense Center' and includes a 'Firewall Settings' link and a 'TIMELINE' for 'April 14, 2024 - May 14, 2024'. Key metrics include 'Firewall Activity' with 300 catches and 'Top Custom Rules' with a pie chart showing categories like Monitor Ukraine, Hosting Service Traffic, Invalid User Agent Prevention, and Other. A 'Top Threat Countries' section shows 'No threat countries found'. A 'Blocked' line graph shows a peak in blocked traffic on 04 Jan.
