The screenshot shows a web application interface for 'Manage Product'. The top navigation bar includes 'Dashboard', 'Brand', 'Category', 'Product', 'Orders', 'Report', and a user profile icon. The 'Product' menu item is active. Below the navigation bar, there is a breadcrumb trail 'Home / Product' and a 'Manage Product' header with an 'Add Product' button. The main content area displays a table of products with columns for Photo, Product Name, Rate, Quantity, Brand, Category, Status, and Options. The table contains three entries, all with a status of 'Available'. A search bar is located above the table. At the bottom of the table, it says 'Showing 1 to 3 of 3 entries' and includes 'Previous' and 'Next' navigation buttons.
