Ensure that when an MSI is installed for ALL USERS, the install location doesn't inherit the full permissions of the parent location.

Refs [beeware/briefcase#2759](#)

PR Checklist:

- All new features have been tested
- All new features have been documented
- I have read the **CONTRIBUTING.md** file
- I will abide by the code of conduct

Ensure that MSIs installed for all users don't inherit permissions.
