Last updated on Apr 14, 2026

Security Update Available for Adobe InCopy | APSB26-33

Bulletin ID	Date Published	Priority
APSB26-33	April 14, 2026	3

Summary

Adobe has released a security update for Adobe InCopy. This update addresses [critical](#) vulnerabilities that could lead to arbitrary code execution.

Adobe is not aware of any exploits in the wild for any of the issues addressed in these updates.

Affected versions

Product	Affected version	Platform
Adobe InCopy	21.2 and earlier versions	Windows and macOS
Adobe InCopy	20.5.2 and earlier versions	Windows and macOS

Solution

Adobe categorizes these updates with the following [priority rating](#) and recommends users update their software installations via the Creative Cloud desktop app updater, or by navigating to the InCopy Help menu and clicking "Updates." For more information, please reference this [help page](#).

Product	Updated version	Platform	Priority rating
Adobe InCopy	21.3	Windows and macOS	3
Adobe InCopy	20.5.3	Windows and macOS	3

For managed environments, IT administrators can use the Creative Cloud Packager to create deployment packages. Refer to this [help page](#) for more information.

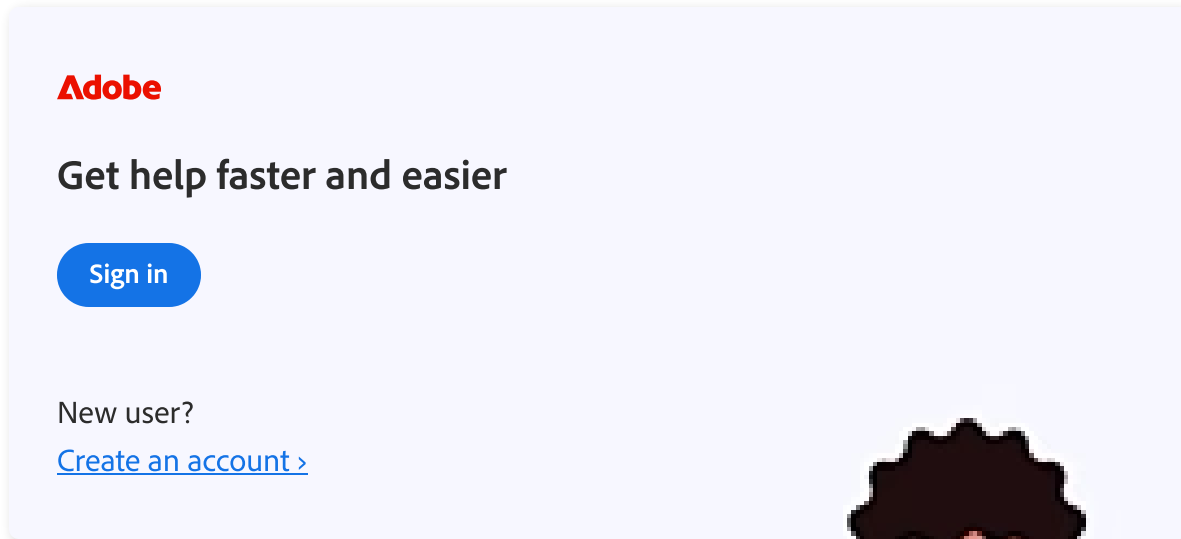

Vulnerability Details

Vulnerability Category	Vulnerability Impact	Severity	CVSS base score	CVSS vector
Out-of-bounds Read (CWE-125)	Arbitrary code execution	Critical	7.8	CVSS:3.1/AV:L/AC:L/PR:N/UI:R/S:U/C:H/I:H/A:H
Out-of-bounds Write (CWE-787)	Arbitrary code execution	Critical	7.8	CVSS:3.1/AV:L/AC:L/PR:N/UI:R/S:U/C:H/I:H/A:H

Acknowledgments

Adobe would like to thank the following researchers for reporting this issue and for working with Adobe to help protect our customers.

- yjdfy -- CVE-2026-27287
- jony_juice -- CVE-2026-34631

A screenshot of an Adobe help page. At the top left is the Adobe logo in red. Below it is the heading "Get help faster and easier" in bold black text. Underneath is a blue rounded button with the text "Sign in". Below the button, it says "New user?" followed by a blue link "Create an account >". On the right side of the screenshot, there is a dark, pixelated area that appears to be a redacted image or a placeholder. To the right of the screenshot, there is some partially visible text: "rking with", a dashed line, and "om".
