ABOUT

Pixel Fox. A Facebook Multi-Pixel Conversion API Shopify App that solves iOS 14 tracking problems.

Pixel Fox is a Facebook Pixel and Conversions API manager. It allows you to get the most out of your Facebook Ads by allowing you both to install multiple main/backup Facebook Pixels, and also to associate Facebook Pixels to specific collections in your store with a few clicks. You will then be able to track all conversion events like PageView, AddToCart, Purchase events, etc. This allows you to supercharge your pixels for maximum profit.
