About this app

You feel anxious when:

- ✗ Friends and relatives borrow phones.
- ✗ Children play with phones and change settings.
- ✗ Or anyone curious to see your important, private apps.

With App Lock Fingerprint, you can easily lock applications such as Facebook, WhatsApp, Photo/Video...

Updated on

May 5, 2026

Safety starts with understanding how developers collect and share your data. Data privacy and security practices may vary based on your use, region, and age. The developer provided this information and may update it over time.

- This app may share these data types with third parties
Location, App info and performance, and Device or other IDs
- This app may collect these data types
App activity and App info and performance
- Data is encrypted in transit
