

About the security content of iOS 26.4.2 and iPadOS 26.4.2

This document describes the security content of iOS 26.4.2 and iPadOS 26.4.2.

About Apple security updates

For our customers' protection, Apple doesn't disclose, discuss, or confirm security issues until an investigation has occurred and patches or releases are available. Recent releases are listed on the [Apple security releases](#) page.

Apple security documents reference vulnerabilities by [CVE-ID](#) when possible.

For more information about security, see the [Apple Product Security](#) page.
