# Submit #769041: Tenda FH1202 V1.2.0.14(408) Buffer Overflow

**Title** Tenda FH1202 V1.2.0.14(408) Buffer Overflow

**Description** Stack-based buffer overflow in `httpd:/goform/P2pListFilter` invokes `fromP2pListFilter`, which formats the page parameter into a fixed-size stack buffer via `sprintf` without length checks. A crafted long page triggers stack overflow, resulting in DoS and potential code execution.
