Email. Collaboration. Office. All in a single package.  
Business email server, TeamChat, real-time document collaboration, video calls, ChatGPT integration, and more—all in one app. Choose between cloud or self-hosted solutions.

The screenshot shows the webmail interface with a sidebar on the left containing icons for home, mail, contacts, calendar, and tasks. The main area displays the 'Inbox' with a 'Compose' button and various action icons. Below the inbox, there are filters for 'Yours' and 'Public', and a list of folders: 'Inbox 120', 'Sent', and 'Snooze 23'.

The email thread shows a reply from Paula. The subject is 'Re: Hormel Foods Info'. The text of the email reads: 'Suggest reply. Here is the context: Dear Hormel Foods Team I hope this email finds you well. I am writing to request your assistance with our upcoming inventory needs. We require the delivery of pieces to our warehouse as well as additional goods to purchase from your company.'

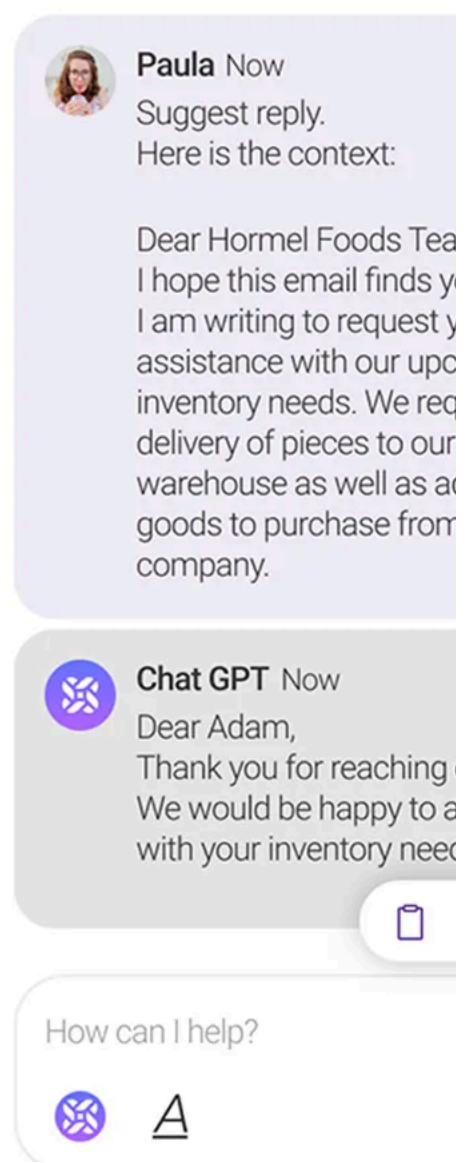

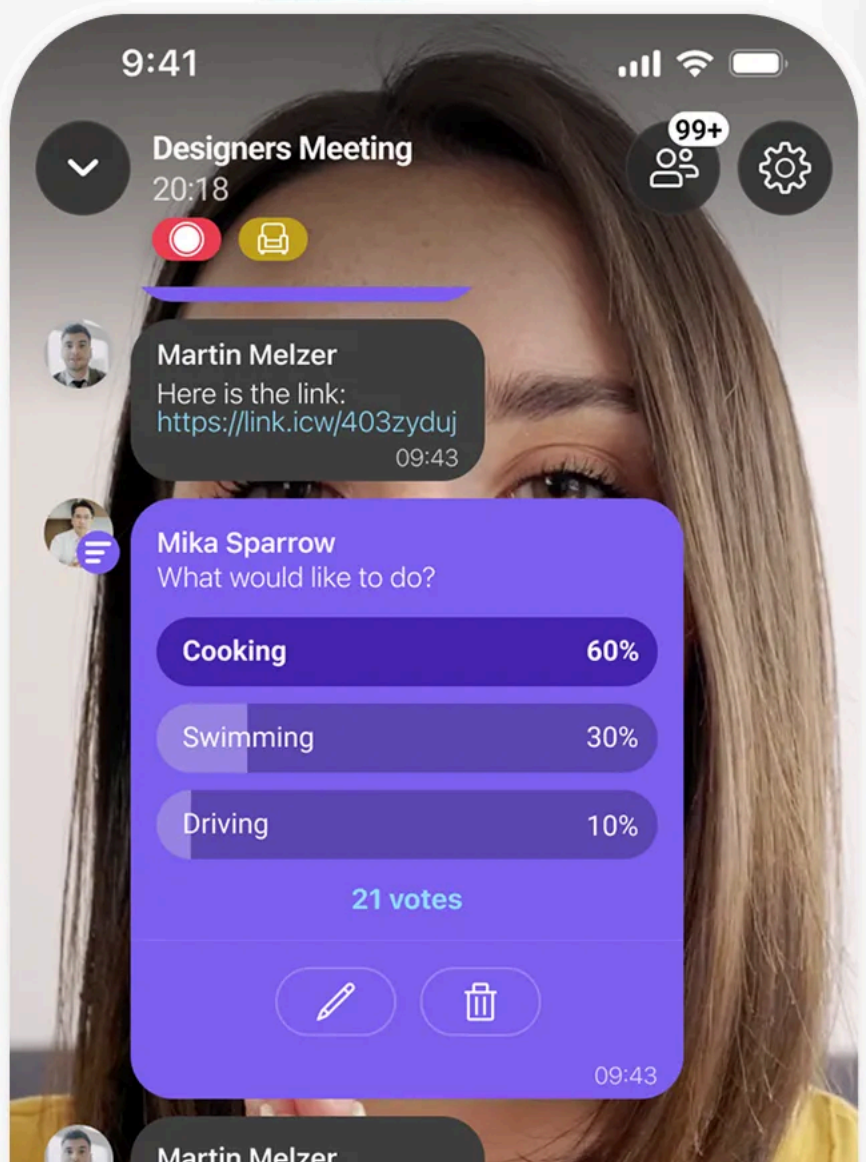

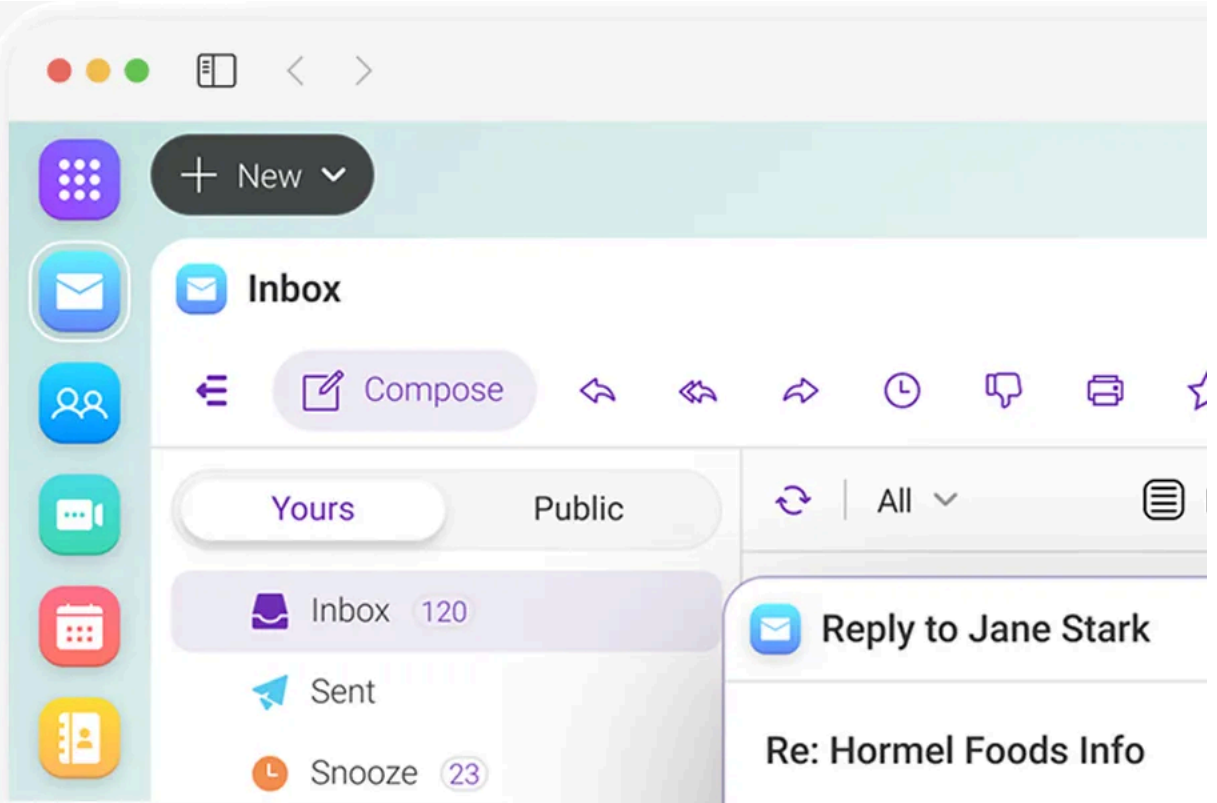

The mobile app interface shows a meeting titled 'Designers Meeting' at 20:18. A poll by Mika Sparrow asks 'What would you like to do?'. The poll results are: Cooking (60%), Swimming (30%), and Driving (10%). The poll has 21 votes and was created at 09:43. A message from Martin Melzer is also visible, providing a link: <https://link.icw/403zyduj>.

Email

Manage your inbox efficiently. Send and reply to emails, format messages, check invites, share files, and get more done with ChatGPT integration—all in one place.

The screenshot displays an email client interface. On the left is a vertical sidebar with various icons for navigation. The main area shows an 'Inbox' with a list of folders and messages. A 'Reply to Jane Stark' window is open, showing a conversation thread. The thread includes a message from Paula Meyer and a response from Chat GPT. The Paula Meyer message is highlighted in light blue and contains the text: 'Suggest reply. Here is the context: Dear Hormel Foods Team, I hope this email finds you well. I am writing to request your assistance with our upcoming inventory needs. We require a delivery of pieces to our warehouse as well as additional goods to purchase from your company.' The Chat GPT response is in a grey bubble and says: 'Dear Adam, Thank you for reaching out to us. We would be happy to assist you with your inventory needs.' At the bottom of the reply window, there are icons for deleting, refreshing, and a green checkmark indicating a successful action.

The screenshot shows a portion of an email client interface. On the left, a sidebar contains a folder list with items: 'Trasn', 'Templates', and 'Search Fold'. Below this is a search bar labeled 'Filter folders'. The main area displays a 'Send' button in a blue pill shape, followed by an 'Attach' button with a paperclip icon and a dropdown arrow, and a toggle switch. Below these buttons is a list of messages. The first message is from 'Patrick Prielcel' with the subject 'Design vision for VR UI exp...'. The second message is also from 'Patrick Prielcel' with the subject 'Je to KAMPAŇ!'. At the bottom of the screenshot, there are two contact cards: 'Eduard Marks' on a dark background and 'Michaela Sopprani' on a yellow background.

Notes

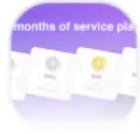

Capture ideas and share them instantly. Keep track of important thoughts and tasks, synced across all your devices.

The screenshot displays the IceWarp web interface for a notes application. At the top, there is a navigation bar with a '+ New' button and a 'Favorites' button. Below this is a header for 'All notes' with icons for printing, sharing, and deleting. A sidebar on the left contains various icons for different functions. The main area features a 'New Note' button and a '5 Notes' indicator. The notes are displayed in a grid:

- Note Subject:** Edited Now. Includes a share icon.
- Space:** Edited 2h ago. Includes tags 'Acute' and 'Daniel', a description 'Space is the boundless, three-dimensional extent in which objects and events occur a...', and icons for a video, a PDF document, and a document with a 'D' tag.
- About Inbox:** Edited 2h ago. Description: 'Your inbox is a space for TeamChat communication and online meetings as well as room to create, share and edit...'. Includes icons for a landscape, a person, and a '+12' notification.
- Coffee in Ethiopia:** Edited 2h ago. Description: 'Ethiopia is often considered as the birthplace of coffee since cultivation began in the 9th century.' Includes an icon of a church.

Hello

Eduard Marks

Michaela Sopprani

The screenshot shows a webmail interface with a dark purple header. The header contains the 'IceWarp' logo and navigation tabs: 'File', 'Home', 'Insert', 'Draw', 'Layout', 'References', and 'Collab'. Below the header is a toolbar with icons for save, copy, paste, cut, print, undo, redo, and a selection tool. The font settings are set to 'Arial' size '11'. The main content area displays a document with the following text:

## In the year 2142

Earth had become a planet of wonders—of clean energy that powered everything that remained the same was humanity’s insatiable one had ever dared before: to explore the

The screenshot displays the IceWarp calendar application interface. On the left is a vertical sidebar with various icons for navigation: a grid icon, an envelope icon, a group of people icon, a video call icon, a calendar icon, a document icon, a folder icon, a checkmark icon, a list icon, and a mail icon. At the top of the sidebar is a '+ New' button. The main content area is titled 'Multiple Calendars' and features a '+ Create event' button and a 'Create Booking' button. Below these are tabs for 'Yours', 'Shared', and 'Public'. A list of calendar categories is shown, including 'Multiple Calendars', 'Trash', and a user profile for 'Paula Meyer' with several sub-calendars: 'My calendar', 'Webinar about Epos', 'Training', 'Partner training', 'Break', and 'Design'. A 'Resources' section is also visible. The right side of the interface shows a calendar grid for March 2022, with dates 28, 7, 14, and 21 visible. Events are shown as colored blocks: a green block from 12:00 to 18:00 on the 28th, and a green block from 12:00 to 14:00 on the 14th.

A calendar interface showing a grid of dates and times. The date 28 is highlighted in a larger font, and the date 4 is shown below it. Time slots for 12:00 and 16:00 are visible on the right side of the grid.

The screenshot displays the IceWarp Notes application. On the left is a vertical sidebar with icons for home, mail, contacts, chat, calendar, tasks, documents, and a search icon. The top navigation bar features a '+ New' dropdown menu. The main workspace is divided into two panes. The left pane shows a list of notes, with the top one titled 'Inbox' containing the text: 'Your inbox is a space for TeamChat communication and online meetings as well as room to create, share and edit...'. Below the text are three image thumbnails: a space scene, a woman's portrait, and a sunset with '+12' people. The note is marked as 'Edited 2h ago'. The right pane shows a rich text editor for a note titled 'Space objects in relation'. The editor contains the following text: 'Space, in the context of the ph in which all cosmic events occ concept of space goes beyond the cosmos, governed by the l'. Below this is another paragraph: 'In this boundless expanse, obj with mysteries, from the black universe. Space is also a front for life beyond Earth.' At the bottom of the right pane is a large image of a blue and purple nebula.

The screenshot displays the 'Activity feed' section of the IceWarp interface. At the top left, there is a navigation sidebar with icons for home, mail, contacts, chat, calendar, address book, files, tasks, and a logo. A '+ New' button is located at the top of the feed. The feed itself contains three items:

- Welcome to IceWarp Epos!**: A white card with the IceWarp logo, a welcome message, and a right-pointing arrow.
- Partner meeting vol.2**: A video card featuring a woman's face, a play button, and a duration of 1:46:29. It is marked as 'Created 2h ago'.
- Pricelist**: A document card with a blue icon, marked as 'Edited by John Doe, 2h ago'.

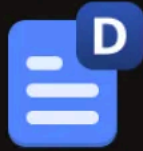

On the right side, there are partial views of other sections: 'Overview' with a folder icon, 'Instant me' with a folder icon, a file preview for 'Identity.pn', '3 files', and 'About' with a list icon and text 'Your inbox communic well as roo'.

IceWarp solution offers:

1. Business communication
  - o - Email client with custom domains
  - o - TeamChat for real-time group collaboration
  - o - Use Chat to connect one-on-one or with the whole team.
  - o - Video & audio conferencing with Webinar mode, up to 1,000 attendees
2. Productivity & organization
  - o - Shared calendars with appointment booking
  - o - Contact lists
  - o - Tasks management
  - o - Notes
3. File management & collaboration
  - o - Online document editing & co-authoring (docs, spreadsheets, presentations)
  - o - Cloud storage & file sharing
4. Cross-platform access
  - o - Web-based & desktop apps
  - o - Mobile apps (email, chat, video, files)

[Explore features](#)

How does IceWarp compare to competitors?

IceWarp is a full-featured alternative to Microsoft 365, Google Workspace, and others—offering email, collaboration, and conferencing tools in one platform, all at a more affordable price.

[See comparison](#)

What pricing plans are available?

IceWarp offers flexible plans to suit different business needs:

Startup Package: \$23/month (fixed) for up to 10 users, with 200GB email storage per user and 1TB file storage.

Business Plan: \$3.50/user/month for up to 500 users, including 200GB of email storage per user and 1TB of file storage.

Enterprise solutions: Custom pricing for organizations with over 500 users.

[View pricing](#)

Is there a free trial available?

Yes, you can try IceWarp free for 30 days with full access to all features.

[Get started now](#)

Is it possible to run IceWarp on my own hardware?

Yes, IceWarp offers both cloud and self-hosted solutions. You can run it on your own servers with full control over data and security. Cloud Microservices help enhance performance for features like conferencing and document editing while keeping data securely within your infrastructure.

[Choose your plan](#)

What support options are available?

IceWarp provides several support plans, including 24/7 assistance for enterprise customers. Our support team is ready to assist you via email, phone, and online chat to ensure smooth operation.

[View support plans](#)

Can I migrate my data to IceWarp from another service?

Yes, IceWarp offers a fully managed migration service to ensure a smooth transition of your data from any existing platform: Microsoft Exchange, Microsoft 365, Google Workspace, Zimbra, and others.

[Learn more](#)

Where can I find technical specifications and system requirements?

You can find detailed technical specifications, system requirements, and deployment options on our website.
