Compliance without compromise.

Deliver personalised training at scale with efficient workflows and enhanced reporting that maximise the impact of your mission-critical learning.

Limitless customization

Customise, not compromise.

With Totara's fully customisable open code, you're no longer limited to what your LMS 'allows' you to do.

Learning & compliance at scale

Any content, any audience, anytime.

From recurring assessments to streamlined onboarding, Totara's platform handles all your learning and compliance needs no matter your industry, complexity or scale.

“We manage 50,000 learners with three people using Totara’s automation. Staying compliant keeps the organization safe from penalties and fines and even shutdowns.”

— Ayman Al Kurdi,
Vice President, iLearnM

Retain staff through training

Train and retain. Efficiently manage and deliver training to upskill your staff, improve performance and boost retention as you grow.

“Our learning platform is crucial for developing our people’s capabilities. By leveraging its extensive functionality, we design and deliver innovative training across our multi-site business, ensuring we are prepared for the future.”

Save time and money

Less work, more efficiency. Minimize auditing, training and admin costs, and maximize compliance, reporting and onboarding efficiency.

“90% of two L&D people’s time was compliance. Now, it’s 10% of one person.”

— Kevin Avis,
Head of Learning, Circle Health Group
